December 6th, 1918

Lt.-Colonel A. D. Le Pan,

Polish Camp,

Niagara-on-the-Lake,

Ont.

My dear Colonel Le Pan:

Now that the war is coming to an end and that we hear of demobilisation on all sides in Canada it is necessary for us in the University to begin our plans for the future. Have you any idea as to how long you and your staff will be required to complete the work that you are now doing ? Should we make application to Ottawa, or is your work so important that we should allow the situation to take its course ?

I am sorry that Mr. Campbell has been quite unwell lately, and for the last two days has been in bed.

With kind regards, I am,

Yours sincerely,

President.

Dear Mr.President,

I felt that you should be informed that we have just been instructed that recruiting for the Polish Army in America will stop on February 15th. It is impossible to say at present just how long it will take to wind up the affairs of this camp,but it should be possible to do this within a month after that date.

Yours sincerely,

R. W. LePan
